Description : mic bleed sorry not the best recording. Let me know your thoughts on this recording had to try and do a lot to recover it. rx9 aint working either xfull music can be heard in tracks section Animal Roll It On Up Description : if used include ft metaled in the title Light It On Up Description : IF USED INCLUDE FT METALED IN THE TITLE At The Wheel Description : First half of song, will slow down uploading after this don't want to flood too much. If you make anything please share it, thanks! I don't know the bpm again, so its rough. As for styles, I'll be hopping around a little bit to try create different stuff. Day 4 Hook Description : First part hook, second part random sound attempt. This is honestly completely experimental, I'm aware that musically it kind of makes no sense and the second part goes against itself haha. Would love to see if someone could use a drill beat or something. Will get back to more normal singing soon if anyone wants that. I have no idea what bpm this is because I didn't have any sort of music to go off. Commitment Issues Description : best acapella I've given y'all, bth hope y'all enjoy, idk bpm or key sorry. enjoy this acapella and credit me and link below if used! have a gr8 day, night, afternoon wherever u are!
